

CABINET FORWARD PLAN

APRIL 2007 TO JULY 2007

Purpose

The purpose of this Forward Plan is to give sufficient notice to people affected by key decisions to exercise their rights to see papers and make an input into the decision making process.

Key Decisions

Regulation 8 of the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations Part III [*Statutory Instruments 2000 No 3272*] states:

- 8 (1) In these regulations a “key decision” means an executive decision which is likely –
- (a) to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority’s budget for the service or function to which the decision relates; or
 - (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the local authority.

Threshold

Suffolk County Council has adopted a threshold of £500,000 for key decisions.

This plan includes decisions which the decision maker has decided are key decisions in that they

- (a) involve significant expenditure or savings; or
- (b) have a significant effect on communities

even though they are either below the adopted threshold or impact on people in one electoral division only.
