

17. MURILLO DRIVE
GUNTOW PARK
LOWESTOFT
5/7/10

Dear Denise

Further to our recent phone calls re my objections (17/9/09) to the proposed parking restrictions

The restrictions are meant to prevent the irritation to residents and of course the safety of the children. All of which I agree with. However the area highlighted on the plan if restricted would be a greater inconvenience than it is now

As an example coming home late at night having to park at rear of house or remember to move car early morning on school days

My request would not affect other residents or the safety of the children

Regarding the proposed parking restrictions
in Merello Drive

I object to the restrictions covering right
round the front of my property

I have marked on the enclosed plan what
would be acceptable to me if the changes
are implemented.

Also I would like to be advised on location
of additional signs

Regards

John Atkinson
