Dear Mr Shooter

Thank you for your message. Your concerns about the proposals for Aldeburgh have been noted will in due course be included in any report made to the Rights of Way Committee. This Committee considers both rights of way and traffic management proposals that are contested. The Committee's recommendations are then reported to the Portfolio Holder, Councillor Guy McGregor, for the Council's final decision on the proposals and in that case I will write to you again after the decision. In the meantime I am forwarding your message to the scheme manager for her attention.

The date of the next two committee meetings when these proposals are likely to be considered are 19 June and 12 September 2012. The meeting agenda can be found at the appropriate time on the SCC website on the following link, together with the procedure for those wishing to speak at the meeting:

Subject: Parking at The Terrace

Dear Heather

I employ twenty part- time staff at my pharmacy in Aldeburgh, most of whom live in Leiston or further afield and their only means of transport is by car. Only 5 or 6 are on duty at any one time. Unrestricted parking in Aldeburgh is at a premium. The seafront parking should be available for visitors not staff.

To reduce the parking provision in The Terrace by 50% is not a viable proposition as

no doubt all the available spaces will be taken up by residents.

There has to be some compromise by the residents if they want to live in a town with a viable, vibrant High Street.

Is there any evidence of accidents involving property or people in The Terrace?

I object strongly & passionately to this proposal. Please could you reconsider.

with thanks & kind regards

Barry Shooter
