Dear Andrew

Further to your telephone conversation with Adrian Day concerning the above service road. I understand that your department appears to have not received our comments on the letter we received from your Highways Network Improvement Service which enclosed a copy of the draft report entitled "Investigation into waiting restrictions within the two service roads on Felixstowe Road".

Following discussions at our Parish Council meeting and also discussions with the local residents we put forward the proposal that the following restrictions should apply:

8 am – 6 pm Monday – Friday

8 am – 1 pm Saturday

I look forward to hearing from you.

Best Wishes
