Subject: RE: Great Waldingfield Primary SOR 2012 Lining

Hi Ross

Excellent news - well done!

Yes I am more than happy to support this

Thanks for all your help

Kind regards

Colin

Subject: FW: Great Waldingfield Primary SOR 2012 Lining

Dear Cllr Spence.

Please see e-mail below from Frank Stockley. We have successfully secured funding for the lining changes for Great Waldingfield Primary. If you are happy with this, I will start the formal consultation process. Hopefully we can use your Quality of Life Money on another larger project in the near future.

I hope this is sufficient information, please let me know if you require anything else.

Best regards

Ross

Hello Steve

This Authority supports your proposals regarding the introduction of parking restrictions at the above site.

For your information I have forwarded a copy to our two Babergh Councillors.

Regards

Alan

Subject: Waiting Restrictions on Folly Road and Bantocks Close

Steve

At Great Waldingfield Parish Council's meeting last week the councillors agreed with the plans submitted by SCC for the waiting restrictions, but questioned why the markings for the junction of Folly Road and Bantocks Road were not included as promised by SCC Highways.

You may remember that this was my original observation when I discussed the plans with you after receipt. Can you please provide the councillors with your views on this.

Regards

Dave Crimmin MILCM
Clerk to Great Waldingfield Parish Council

Steve,

As the local PC for this village, I am fully in support of these proposals that are long overdue to be fair. I have forwarded your email to the rest of the team to make any representations they have direct to you.

All the best

The attached looks okay to me, do you have and issues from a local perspective?

Many thanks,
Steve
