In March 2010 the Audit Commission issued a revised version of the 'Statement of responsibilities of auditors and audited bodies' (Statement of responsibilities). It is available from the Chief Executive of each audited body and via the [Audit Commission's website](#).

The Statement of responsibilities serves as the formal terms of engagement between the Audit Commission's appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The Standing Guidance serves as our terms of appointment as auditors appointed by the Audit Commission. The Standing Guidance sets out additional requirements that auditors must comply with, over and above those set out in the Code of Audit Practice 2010 (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. Our 2012/13 audit work has been undertaken in accordance with the Audit Planning Report issued in July 2013 and is conducted in accordance with the Audit Commission's Code of Audit Practice, International Standards on Auditing (UK and Ireland) and other guidance issued by the Audit Commission.

We carried out our work in accordance with our Audit Planning Report.

Publication on electronic media

The Council and Fund are responsible for the accurate presentation of the financial statements, audit report thereon and other reports submitted in relation to the audit and for establishing security and controls over them in order to ensure the continued integrity of the information presented. The examination of the controls over electronic presentation of audited financial information and reports by the auditor on the Council's and Fund's web-sites is beyond the scope of the audit of the financial statements.

5. Status of our work

7. Summary of audit differences

In the normal course of any audit, we identify differences between amounts we believe should be recorded in the financial statements and amounts actually recorded. These differences are classified as either 'known' or 'judgemental'. Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

There were no uncorrected misstatements based on our work to date.

Management are to correct the disclosure issue brought to their attention based on our work to date. There are no issues that require communicating to the Pension Committee or Audit Committee based on our work to date.

8. Independence confirmation: update

We confirm there are no changes in our assessment of independence since our confirmation in our Audit Planning Report dated July 2013. We complied with the Ethical Standards for Auditors and the requirements of the Standing Guidance and in our professional judgement the firm is independent, and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We consider that our independence in this context is a matter that should be reviewed by both you and us. It is therefore important that you consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meetings of the Pension Committee on 26 September 2013 and the Audit Committee on 30 September 2013.
