

held at King Edwards  
upper school; parking  
tickets were issued.

We object to permit  
parking; leave things as  
they are but police the  
inconsiderate parking of  
parents on the school run.  
A few fines issued on  
a regular basis, should  
discourage these parents  
and be of more help to  
residents. Saturdays,  
Sundays and school holidays  
have no parking problems  
what so ever!

We would appreciate an  
acknowledgement to this  
letter.

Yours sincerely
