

Appendix D - Numbers of children and carers who use Children's Centre services

Between 01/04/2013 and 31/03/2014

These figures relate to the number of individual people using the services within a centre, home visits and community venues. This could mean that one person uses the service many times or only once in the twelve months and both of these would be counted as one user – carer or child.

Children's Centre	Total carers	Total children	Total carers and children	Average carers and children (monthly)
Acorns	4760	4166	8926	744
Bluebells	2872	2862	5734	478
Brandon	3455	4070	7525	627
Brett River	3524	3607	7131	594
Bury Library	4022	3894	7916	660
Butterflies	8015	7403	15418	1285
