Subject: The Street, Somerleyton

I would like to object to the plans to extend the "No waiting" area on The Street, Somerleyton to the boundary between numbers 1 and 2.

I live at number 1 and extending the "No waiting" would prevent me from parking outside my own home, which would be very inconvenient. In addition to this, removing parking here would only lead to myself and others who use this stretch of road to park further along where the road is no wider, so would have no benefit in improving the flow of traffic.
