

Suffolk Flood Risk Joint Scrutiny Sub-Committee Forward Work Programme

- a) The Suffolk Flood Risk Joint Scrutiny Sub-Committee is responsible for reviewing, scrutinising and influencing decision making in relation to the Suffolk Flood Management Strategy.
- b) The Scrutiny Committee is asked to consider and confirm or amend the following Forward Work Programme.

Meeting date	Description, including why it is coming to committee for scrutiny and the anticipated outcomes	Who would the Committee wish to hear from in relation to this scrutiny item?
10 July 2017	To visit the Ipswich Tidal Barrier.	To be confirmed
9 November 2017	To be confirmed	To be confirmed

Information Bulletins requested:

- An update on progress with the reconsideration of the design of the Anglian Water trash screen for the Kirkley Stream (added 10/6/16).
- A copy of the guidance provided to Anglian Water call centre staff advising them how to respond if a caller informs them that water levels in the Kirkley Stream are rising (added 10/6/16).

The decisions and views taken by Scrutiny are separate to and independent of those taken by Suffolk County Council, any of the District or Borough Councils, their Cabinets or Executives. For further information on any item appearing on this forward work programme, or if you wish to discuss possible items for future scrutiny, please contact Councillor Mary Evans, Chairman of the Suffolk Flood Risk Scrutiny Sub-Committee; Email: Mary.Evans@suffolk.gov.uk or contact 01473 260855.
