

Scrutiny Committee Forward Work Programme

- a) All scrutiny items should have regard to Suffolk County Council's priorities:
1. Raising educational attainment and skill levels;
 2. Supporting the Local Enterprise Partnerships (LEPs) to increase economic growth;
 3. Maintaining roads and developing Suffolk's infrastructure
 4. Supporting those most vulnerable in our communities; and
 5. Empowering local communities.
- b) The Scrutiny Committee can also scrutinise other public sector activity in Suffolk. There is a separate Health Scrutiny Committee which scrutinises issues relating to health and wellbeing in Suffolk. A separate Education and Children's Services Scrutiny Committee is responsible for scrutinising how the Council, and the other organisations with which it works, secure the best possible educational achievement and attainment for every child.
